

Cities on Volcanoes 10 Photo Contest

Human Life and Volcanoes

Attendants for the 2018 Cities on Volcanoes 10 (Napoli 2 – 7 September), take part in our photo competition!

The topic of the photos contest aims to evidence the creativity on the variety of volcano forms and their interaction with human activities, infrastructure, and landscape. Each photo should have also a short explanation describing the volcano on the photo and giving its location and the relationship with the environmental contest.

The photos have been submitted to one of the three categories:

1. Volcanoes from above (aerial photos).
2. Impacts of Volcanoes on infrastructure of any urban contest (volcanic hazard).
3. Humans and Volcanoes (human, social and artistic impacts of Volcanoes).

A selection of the received photos will be exhibited during the Cities on Volcanoes 10 Conference at Ischia Room, Conference Venue.

The best photo of each category will be selected by a Jury and by voting of the meeting participants during the event.

Each participant submitted maximum two photos (in any contest categories).

Twelve photographs will be selected for the INGV-OV 2019 calendar.

The best photo in each category will receive a special handmade gift during the Closing Ceremony.

The handmade gift are gently offered by “D’AVANGEM”, Nola (NA), Italy

Cities on Volcanoes 10 Photo Contest is sponsored by Regione Campania
